Dear Ms Wong

### **Myer Pty Limited application for re-authorisation AA1000436—draft determination**

The Australian Competition and Consumer Commission (the ACCC) has issued a draft determination in respect of the application for authorisation lodged by Myer on 12 February 2019.

### **Draft determination**

A copy of the ACCC's draft determination is attached.

For the reasons set out in its draft determination, the ACCC proposes to grant re-authorisation for 10 years.

### **Next steps**

Once the ACCC issues a draft determination, the Applicant or any interested party may make a written submission and/or request that the ACCC convene a 'pre-decision conference'.

If you wish to make a submission in response to the ACCC's draft determination, please lodge your submission by **12 April 2019**.

A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to the draft determination. Conferences are conducted informally and while legal or professional advisers are able to attend they are not entitled to participate in the discussion.

If you wish the ACCC to hold a pre-decision conference in relation to the draft determination you must notify the ACCC in writing by **12 April 2019**.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-decision conference be called, and will then release a final determination in relation to this application.

Submissions will be placed on the ACCC's public register subject to any request for exclusion. Please see the ACCC's publication [Guidelines for excluding information from the public register](#).

## Timetable

The ACCC will continue to progress its assessment of the application in a timely manner. An updated indicative timetable is set out below for your information.

Yours sincerely
