Dear Ms Lim

Authorisation AA1000439 - Applicants' request for material in submission to be excluded from the public register

I refer to your response and submission of 1 July 2019 to the Australian Competition and Consumer Commission's (the **ACCC**) request for further information regarding the above application for authorisation.

I have considered your request that the document, Attachment C to the submission, be excluded from the ACCC's public register.

The ACCC is generally required under section 89 of the Competition and Consumer Act 2010 to place documents provided to it in relation to an application for authorisation on its public register. A person submitting a document in relation to an authorisation application may request that the document, or parts of it, be excluded from the public register due to the nature of certain information it contains.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Attachment C to your submission will not be placed on the public register. Your submission, and Attachments A and B will be placed on the public register.

This letter will also be placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact David Wang on (03) 9658 6587.

Yours sincerely
