Dear Ms Devine

Authorisation AA1000439 submitted by Clean Energy Council & Ors re the New Energy Tech Consumer Code – Brighte request for material to be excluded from the public register

I refer to Brighte's submission of 29 August 2019 to the Australian Competition and Consumer Commission (the **ACCC**) regarding the above application for authorisation.

I have considered your request that the confidential version of the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for authorisation may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of Brighte's submission will not be placed on the public register.

I note that the public version of your submission, as well as this letter, have been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Theo Kelly on 02 6243 1179.

Yours sincerely
