Dear Ms Devine

Authorisation AA1000439 submitted by Clean Energy Council & Ors re the New Energy Tech Consumer Code – Brighte request for material to be excluded from the public register

I refer to Brighte's emailing requesting a pre-decision conference, lodged with the Australian Competition and Consumer Commission (the **ACCC**) on 9 August 2019.

I have considered your request that the confidential information in this email be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for authorisation may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of Brighte's email will not be placed on the public register.

I note that the public version of your email, as well as this letter, have been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Kaitlin Hanrahan on 03 9290 1917.

Yours sincerely
