To whom it may concern,

I believe the accc should deny an application for authorisation by the Australian National Kennel Council Limited (ANKC) to amend its code of ethics to require members of ANKC Member Bodies to register all dogs bred or owned by them with a registration body recognised by ANKC.

I'm making this submission as I was recently informed by dogs Victoria I cannot be affiliated with any other organisation. I require to be members of multiple dog registry's mainly mdba.
