AA1000442-Australian National Kennel Council Limited (ANKC) – Submission

Dear Gavan,

The Jerilderie Apex Club, acting as Jerilderie Working Dog Auction, wishes to make a submission in relation to AA1000442 – Australian National Kennel Council Ltd (ANKC) application for authorisation to changes to their Code of Ethics.

We are a not-for-profit organisation providing an auction based selling opportunity for dog breeders and trainers Australia wide. We totally oppose any changes to the Legislation Amendment proposed in the ANKC submission relating to the registration of dogs.

Jerilderie Working Dog Auction clients from across Australia adhere to their own state legislation regarding breeding and housing of their animals and adhere to NSW legislation requirements when selling at our auction.

Further impediment over their selling rights, over and above current legislation, in our opinion is unnecessary and would lead to an imbalance in the open and competitive market which already exists.

Our committee wishes to be informed of any updates, proposed or implemented from this time on.

Please contact us if any further information is required.

Sincerely

Warwick Doolan
