

CLUBS AUSTRALIA
COLLECTIVE BARGAINING AUTHORISATION APPLICATION
SCIENTIFIC GAMES AUSTRALIA (SGA) GROUP SUBMISSION

We refer to the Application for collective bargaining authorisation application filed by Clubs Australia Incorporated on 27 May 2019 (**the Application**) and the ACCC's draft determination in the matter and the invitation for submissions from the interested parties.

We also refer to further discussions that took place between Clubs Australia and SGA in the last few weeks. Based on those discussions, SGA believes that the concerns outlined in our initial submission had been substantially addressed.

Accordingly, SGA wishes to withdraw its initial objection to the authorisation application.
