Dear Ms Phillips

Application for minor variation – Authorisations A91542 & A91543 – submitted by Singapore Airlines Limited & Deutsche Lufthansa AG – request for material to be excluded from the public register

I refer to your application for minor variation to the above authorisations lodged with the Australian Competition and Consumer Commission (the ACCC) on 16 August 2018.

I have considered your request that an attachment to the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation] on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the attachment will not be placed on the public register.

This letter will be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Luke Griffin on 02 6243 1114.

Yours sincerely
