Dear Mr Beissel

Re: South Australian Oyster Growers Association – Interim authorisation decision

The Australian Competition and Consumer Commission (**ACCC**) has decided to grant interim authorisation to South Australian Oyster Growers Association Inc (**SAOGA**).

The interim authorisation extends to the five hatcheries specified in the ACCC's 2010 determination regarding authorisations A91229 and A91230 as well as additional hatcheries that had the benefit of those authorisations. Please refer to the interim authorisation decision document for further details.

The interim authorisation commences immediately and will remain in place until it is revoked, the date on which the application for re-authorisation is withdrawn or the date the ACCC's final determination comes into effect.

The ACCC will now commence a public consultation process regarding SAOGA's substantive application for re-authorisation.

This letter will be placed on the public register for this matter.

If you have any queries or concerns or would like to discuss any aspect of this letter, please contact Steven Lee on (02) 6243 1347 or at steven.lee@acc.gov.au.

Yours sincerely
