Dear Matthew,

It has come to our attention that two of the councils who are involved in application for re-authorisation AA1000596 lodged by Albury City Council – namely Wodonga City Council and Indigo Shire Council – are also involved in application for re-authorisation AA1000610 lodged by Goulburn Valley Waste and Resource Recovery Group and North East Waste and Resource Recovery Group, which is also currently being assessed by the ACCC.

For completeness, and to assist with our assessment, can you please:

1. Clarify whether Wodonga City Council and Indigo Shire Council intend to participate in one or both procurement processes that are the subject of the applications for re-authorisation
2. Provide any views on whether the participation of Wodonga City Council and Indigo Shire Council in both applications for re-authorisation has any implications for the public benefits or detriments that are likely to result from the proposed conduct.

We would be grateful if could respond to these points by **5pm on Wednesday 6 July 2022**.

Kind regards,

Alex Cicchini (he/him)
