Hi James,

Thanks for providing Coles' submission. As discussed, we have a query about the scope of authorisation conduct now sought by Coles and the participating supermarkets. Based on your submission, we'd like to confirm whether Coles now seeks substantive authorisation for the conduct covered in the interim authorisation decision of 9 June?

We'd be grateful to receive your written response in a form suitable for the public register (we're happy to receive for publication, as you prefer, a reply email, a further attachment for publication or a revised version of your submission). With your response, please also confirm whether we may publish your submission below.

Please let me know if you'd like to discuss further.

Kind regards,

**Theo Kelly**
