Dear Sir/Madam

## **WA Primary Health Alliance (WAPHA) application for authorisation AA1000577 – interested party consultation**

On 14 September 2021, the Australian Competition and Consumer Commission (the **ACCC**) received an application for authorisation from WAPHA. This letter is to invite you to comment. You are welcome to pass this letter on to others who may wish to make submissions.

WAPHA is seeking authorisation<sup>1</sup> under the *Competition and Consumer Act 2010* (Cth). Authorisation would give it legal protection to negotiate and enter into contracts with Participating Primary Health Networks (**PHNs**) to provide support services relating to the use of the to-be-developed 'Primary Sense 2' data extraction tool by Participating PHNs as well as on-boarding GP Clinics in each PHN region to transition to its use, and provide associated management and support services.

WAPHA is seeking authorisation for 10 years. A full copy of the application for authorisation is available on the ACCC's [authorisations public register](#).

### **Interim authorisation**

WAPHA has also requested interim authorisation to allow it to facilitate the joint funding and development of the data extraction tool prior to the ACCC's final determination in relation to the substantive application for authorisation.

### **Making a submission**

The ACCC invites you to make a submission on the application for authorisation. In making your submission, please provide information, evidence and views about the likely public benefits, effects on competition and any other public detriment that you consider will result from the proposed conduct.

Submissions in relation to interim authorisation should be provided by **5:00pm AEST on Monday 27 September 2021**. Extensions are not normally granted for submissions on interim authorisation.

If you intend to provide a submission in relation to the substantive application for authorisation, please do so by **5:00pm AEDT on Friday 15 October 2021**. If you wish to request an extension, please contact us on the details below as early as possible. Submissions after the due date (or after any extension granted) may not be taken into account.

<sup>1</sup> For information about Authorisations, please see <https://www.accc.gov.au/business/exemptions/authorisation>

Please use the coversheet that accompanied this letter and email your submission to [exemptions@accg.gov.au](mailto:exemptions@accg.gov.au), with the subject 'AA1000577 – WAPHA – submission'. Alternatively, if you would like to provide comments orally, please contact Gemma Smith via the details at the end of this letter.

Your submission **will** be placed on the ACCC's [authorisations public register on the internet](#) unless you have made a request (with reasons) for us to exclude part or all of the submission from the public register. (see [Guidelines for Excluding Information from the Public Register for more information on how to make a request and how we assess requests](#)).
