**By email**

Dear Sir/Madam

**Western Australian Local Government Association application for authorisation  
AA1000562 — final determination**

The Australian Competition and Consumer Commission (the **ACCC**) has issued a final determination in respect of the application for authorisation lodged by the Western Australian Local Government Association (**WALGA**) on 26 August 2021.

WALGA sought authorisation to enable local governments who are current and future members of a proposed joint renewable energy purchasing group to pool their demand and collectively tender for and negotiate an electricity supply arrangement.

For the reasons set out in its determination, the ACCC has decided to grant authorisation for 15 years, until 30 September 2036.

A copy of the ACCC's determination is attached and also available on the ACCC's [Authorisations public register](#).

**Application for review**

Pursuant to section 101 of the *Competition and Consumer Act 2010 (Cth)*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 16 September 2021. If no application to review is lodged by this date, the ACCC's determination will come into force on 17 September 2021.

An application for review of the ACCC's determination should be lodged directly with the Australian Competition Tribunal. The Australian Competition Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.

For further information about the process involved in reviewing decisions in the Australian Competition Tribunal please refer to the tribunal's website located at <http://www.competitiontribunal.gov.au/>.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter please do not hesitate to contact Nissa Burns on 03 9910 9558.

Yours sincerely
