Dear Interested Party

AEMO application for authorisation AA1000643—final determination

The Australian Competition and Consumer Commission (the ACCC) has issued a determination in respect of the application for authorisation lodged by the Australian Energy Market Operator (AEMO) on 7 June 2023.

AEMO sought authorisation to enable coordination between AEMO and current and future AEMO Industry Participants on the scheduling of System Works (including associated information sharing).

A copy of the ACCC's determination is attached, including a summary of its reasons. For the reasons set out in its determination, the ACCC has decided to grant authorisation with conditions for 18 months until 22 June 2025.

Application for review

Pursuant to section 101 of the *Competition and Consumer Act 2010* (Cth), a person dissatisfied with this determination may apply to the Australian Competition Tribunal for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 21 December 2023. If no application to review is lodged by this date, the ACCC's determination will come into force on 22 December 2023.

An application for review of the ACCC's determination should be lodged directly with the Australian Competition Tribunal. The Australian Competition Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.
