Dear Rosannah,

We refer to the above application for revocation of AA1000627 and substitution with authorisation AA1000673. We wish to confirm in writing with you in relation to the below.

Can you please confirm:

1. Are the Participants (and Program Partners) using the existing interim authorisation to advance work on a longer term, broader stewardship scheme? Or is the work on the stewardship scheme being done separate to the interim authorisation and/or has been considered not to require authorisation at this stage?

Please provide a response to the above by close of business tomorrow Friday 25 October 2024.

Kind regards,

---
