Subject: AEC Interim Authorisation: Condition 3 reporting

Good afternoon

We refer to Condition 3 of the interim authorisation granted by the ACCC on 5 August 2020 (**Interim Authorisation**).

Set out below is the AEC's monthly report for the period 5 August – 4 September 2020 (**Reporting Period**).

This report can be published on the public register.

1. Information shared between some or all AEC Members and Notified Non-Members in reliance on the Interim Authorisation

No discussions in reliance on the Interim Authorisation were undertaken by AEC, AEC Members and Notified Non-Members (**Participants**) during the Reporting Period. Accordingly, no information was shared between Participants in reliance on the Interim Authorisation during the Reporting Period.

2. Material developments in relation to the Proposed Conduct and material decisions made as part of engaging in the Proposed Conduct

There have been no material developments or decisions in relation to the Proposed Conduct during the Reporting Period. The AEC and its members are keeping the issue of customer relief under close review, in particular for when Jobkeeper and other protections begin to taper off in coming months. The AEC has continued to engage with Consumer Advocates during the reporting period to identify areas that might benefit from additional support.

At the time of reporting, there are no meetings planned where material proposed decisions, contracts, arrangements or understandings which rely on the Interim Authorisation are expected to be discussed, made or entered into. If such a meeting is organised, the ACCC, AER and ESC will be provided with notice and details of the meeting in accordance with Condition 2 of the Interim Authorisation.

Please don't hesitate to contact me with any queries in relation to this report.

Kind regards
