Subject: AEMO Interim Authorisation dated 17 April 2020: report for period 29 June - 5 July 2020

We refer to condition 1 of the interim authorisation granted by the ACCC on 17 April 2020 (**Interim Authorisation**) and the reporting protocol dated 8 May 2020.

Set out below is AEMO's report for the period 29 June – 5 July 2020 (**Reporting Period**).

This report can be published on the public register.

1. Material contracts, arrangements, understandings or decisions that rely on the Interim Authorisation

No material contract, arrangement or understanding that relies on the Interim Authorisation was entered into during the Reporting Period.

AEMO notes that the fortnightly industry update on AEMO's operational response to COVID-19 occurred on Thursday 2 July. AEMO reported on the impact of COVID-19 on system operations and provided forecasts for potential demand during the next week based on a number of factors, including weather and likely impact of COVID-19 and associated border restrictions.

2. Update to the Energy Coordination Mechanism

The Energy Coordination Mechanism did not meet during the Reporting Period.

Please don't hesitate to contact me with any queries in relation to this report.

Kind regards

Working days at AEMO: Monday, Tuesday, Thursday and Friday

In response to the COVID-19 pandemic, AEMO has adopted digital and remote ways of working to protect our people and critical operations. Please be aware that most meetings will now be conducted digitally to minimise physical contact and allow business to continue. Given the dramatic increase in load on our systems, please bear with us while we work through any technical issues that may result.
