Subject: RE: Virgin Australia application for authorisation [SEC=OFFICIAL]

Dear Darrell and Tessa

Thank you for your time on Monday regarding feedback on VA's application for authorisation.

As you know, VA is now in voluntary administration; however we continue to operate, and I confirm that we intend to continue with our application during the administration process, which is expected to last 2-3 months.

In relation to the request for authorisation for collective bargaining conduct, given the change in circumstances I advise that VA will withdraw that aspect of the application.

We look forward to your advice on the Commission's consideration of our application in due course.

Kind regards
Merridy
