Subject: RE: Application for authorisation AA1000478 - update on consultation [SEC=OFFICIAL:Sensitive]

Dear Andrew,

Our responses in red.

1. Regarding Rex's response to 2c(ii) (*Rex's revenue and volumes derived from freight transport (in relevant cargo unit of measurement)*), we note that there appears to be no freight data in the '2B RANS claim data' spreadsheet. Can you please confirm (a) whether there is freight data available for the routes in question and (b) what effect, if any, the Proposed Conduct will have on freight transport? **Rex has very limited freight capacity on the Saab340 aircraft. We currently sell our belly hold space** [redacted]

2. [redacted]

Thank you,

Irwin
