Subject: RE: Application for authorisation AA1000478 - update on consultation [SEC=OFFICIAL:Sensitive]

Dear Isabelle,

In response to your email below.

1. Update on actions taken under the ACCC interim authorisation.

[REDACTED] To confirm, there has been NO discussions at all on the subject matter covered under the interim authorisation.

2. You may place our response dated 29 May 20 on the public register.

3. Rex still believes that cooperation amongst the airlines within the conditions stipulated in the interim authorisation will be of great public benefit even though no actual outcomes have been achieved so far. Accordingly Rex requests that final authorisation be accorded.

This update may also be placed on the public register.

Best regards,

Irwin Tan
