OFFICIAL

Good morning David and Tom

Apologies for the delay in response on the matter of Linfox Australia Pty Ltd's (Linfox) application for authorisation and the interim authorisation granted to Linfox and the Participants on 15 February 2022 (AA1000603). Linfox has confirmed that the activity for which the application was made has ceased and it will not press the application further.

Kind Regards

Geeta
