Dear Mr Janissen

We refer to the application to the Australian Competition and Consumer Commission for authorisation made by the Australian Securitisation Forum (**ASF**) on behalf of its members on 1 April 2020 (the **Application**).

In the Application, the ASF sought urgent interim authorisation and final authorisation to allow its current and future members to discuss, exchange information and develop a coordinated industry response to the implementation of the Forbearance SPV (**fSPV**) under the Structured Finance Support Fund managed by the Australian Office of Financial Management (**AOFM**).

The fSPV programme documents have now been executed, the relevant arrangements and template documents have been agreed, and the AOFM is now taking expressions of interest from lenders wishing to access the fSPV. The terms of funding under the fSPV will be negotiated bilaterally by the applicants and the AOFM.

In these circumstances, the ASF considers that a final determination is not necessary as the Proposed Conduct has now concluded. Accordingly, the ASF withdraws the Application.

Yours sincerely

Linda Evans, Partner
