Subject: RE: Collective Bargaining for transactional banking services by six Northern Rivers Councils [DLM=For-Official-Use-Only]

Hi Robert,

Thanks for the email. Please note I have not spoken to Michael Salvestro regarding the Notification with the ACCC.

NAB formally responded to this request for tender 22/02/2019 with a competitive offering that can be tailored to suit the specific requirements of each council. No concerns have been raised at this time.

Regards
