Dear Mr Channing

CB – Primary Health Tasmania Limited – submission

I refer to your letter of 25 July 2019 seeking interested party views on the collective bargaining submission by Primary Health Tasmania Limited.

The submission notifies the ACCC of a proposed collective bargaining arrangement whereby Primary Health Tasmania Limited, on behalf of 28 Primary Health Organisations (PHOs), will negotiate the terms and conditions of the provision of data storage and analytic services to the PHOs by the WA Primary Health Alliance (WAPHA).

I confirm that WAPHA is supportive of the proposed arrangement and has no objections to the proposed collective bargaining.

Yours sincerely

Adj Professor Learne Durrington
