Dear Jack

**Application for Revocation and Substitution of Determination AA1000448 - Draft
Determination and Interim Authorisation**

We refer to your email of 15 August seeking confirmation regarding the description of the successor entity to Metropolitan Waste and Resource Recovery Group. We confirm that the following description is appropriate: "The State of Victoria, represented by the Department of Environment, Land Water and Planning". This is the appropriate description for the Applicant entity (from 1 July 2022), and the entity to which any Authorisation is granted.

Please let us know if any further information is required at this stage.

Yours sincerely
