## Law Council of Australia Notification No N90770

We are instructed to advise that, at its meeting on 16 December 2000, the Law Council of Australia, made a further consideration to its Resolution dated 26 June 1999 which had led to the Notification lodged with the ACCC.

The Law Council resolved to rescind the original Resolution. In addition, for the purposes of clause 12(c)(ii) of its Constitution, the Law Council prescribed such other persons who, in the opinion of the Secretary-General or his delegate, may assist the Sections in furthering the objects of the Law Council.

As a consequence, the Law Council wishes to withdraw the Notification and we have been instructed to make arrangements with the ACCC for that to occur.

Yours sincerely
