Dear Sir / Madam,

Application for Authorization Nos A90811 & A90812 Lodged by Health Purchasing Victoria

Having been involved in this matter since December of 2001, I feel that a pre decision conference is essential prior to the final decision being made. Having analyzed the draft determination in great detail, I feel that there are many issues that require further examination. I am available for a pre decision conference at your discretion and look forward to further correspondence with you regarding this matter.

Yours Sincerely,
