Dear Mr Dodds

**Third line forcing notification (N31216)
lodged by Harvey World Travel Franchisees Pty Limited**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission on 14 February 2003. Legal immunity provided by the notification commenced on 1 March 2003.

You have described the conduct as involving Harvey World Travel Franchisees Pty Limited ("HWTF") running competitions which require, as a condition of entry, that people have acquired goods or services from Harvey World Travel Franchisee. You submitted that Harvey World Travel Franchisees are generally not bodies corporate that are related to HWTF.

On the basis of the information that you have provided it is not intended that further action be taken in this matter at this stage.

Please note that the Commission may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

If you wish to discuss any aspect of this matter, please do not hesitate to contact Amanda Dadd on 02 6243 1391.

A copy of this letter has been placed upon the Commission's public register.

Yours sincerely
