Dear Mr Patterson

**Re: Third line forcing notification No. N91312
lodged by CPG Australia Pty Limited**

I refer to the above third line forcing notifications lodged with the Australian Competition and Consumer Commission (the Commission) on 20 November 2003.

You have described the conduct as the offer of building services by CPG Australia Pty Limited on condition that the customer acquires the land upon which the building services are to be performed directly from a specified vendor. Legal immunity provided by the notification commenced on 4 December 2003.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the Commission may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the Commission's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Amanda Dadd on 6243 1391.

Yours sincerely
