19 August 2004

Mr B Oakley  
PO Box 109  
Archerfield, Qld 4109

Dear Mr Oakley

**Notification of exclusive dealing lodged by  
Tweed Coast Sands Pty Ltd (N40733)**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 1 July 2004.

The notification details an arrangement whereby participating service stations operated by Tweed Coast Sands Pty Ltd will offer consumers a discount on petroleum products on condition that the consumer has acquired goods of a specified value from a participating Action Supermarkets Pty Ltd supermarket.

Legal immunity provided by this notification came into effect 15 July 2004.

The ACCC recently consulted a wide variety of interested parties in relation to a number of similar notifications relating to the petrol and grocery sectors. The ACCC has considered the above notification in light of submissions previously put to it by interested parties in relation to similar notifications and its own investigations. The ACCC considers that the notified conduct is likely to result in a net public benefit and does not intend to take any further action at this stage to remove the immunity afforded by the notification.

Please note, as with any notification, the ACCC may act to remove the immunity afforded by this notification at a later stage if it becomes satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. The ACCC has released a report and media release in relation to the consideration of a number of acquisitions in the petrol and grocery sectors, which can be found on the ACCC's website at [www.accc.gov.au](http://www.accc.gov.au). If you wish to discuss any aspect of this matter, please do not hesitate to contact Liam Stewart on (02) 6243 1275.

Yours sincerely
