**Review of Authorisation A58 lodged by the Royal Australian Institute of Architects**

Dear Mr Bauress,

I refer to the Australian Institute of Building Surveyors' (the AIBS) facsimile to the Australian Competition and Consumer Commission (the ACCC) dated 5 October 2004 in relation to the above mentioned review of authorisation A58 (the review). In your facsimile you state that the AIBS is unable to comply with the ACCC's deadline of 8 October 2004 for lodging submissions and request that the AIBS be granted an extension until early December 2004 or February 2005 to lodge its submission.

The ACCC is of the view that it would be in the best interests of all parties if the review is conducted in a timely manner. However, the ACCC is prepared to extend the period in which it will require submissions to 5 November 2004.

If you have any queries about this matter, please contact Liam Stewart on (02) 6243 1275.

Yours sincerely
