Dear Mr Bassi

**Re: Third line forcing notification No. N91544,
lodged by Bassi Fuels Pty Ltd trading as BP Graceville**

I refer to the above third line forcing notifications lodged with the Australian Competition and Consumer Commission (the Commission) on 30 September 2004.

You have described the conduct as giving a lease over premises owned by Bassi Fuels Pty Ltd on the condition that 7 Eleven Stores Pty Ltd will acquire petroleum products from BP Australia Pty Ltd for sale at the leased premises. Legal immunity provided by the notification will come into force on 14 October 2004.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the Commission may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the Commission's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Tania Mayrhofer on (02) 6243 1070.

Yours sincerely
