Subject **Authorisation A30236 - A30238 Lodged by PWCS re
Medium Term Capacity Distribution System**

Dear Sir,

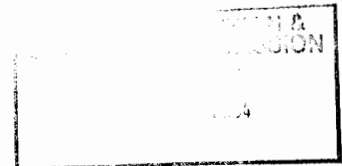

I refer to your letter 11 October 2004 your ref: C2004/1474 requesting our view on Request for Interim Authorisation - Part 1. We fully support Part 1 of the PWCS application and have been involved adequately in the process adopted by PWCS to inform users of this aspect of their proposed Medium Term Capacity Distribution System.

In general terms we are very pleased with the order the earlier ACCC approved Short Term Capacity Distribution System has brought to The Hunter Valley Coal Chain in 2004. We are also broadly supportive of the PWCS proposal for the Medium Term Capacity Distribution System to be introduced in 2005 although we are still studying the detail of the terms and conditions.

We will contact you again by 19 November 2004 for our final view on the substantive application.

Mike Allen
Infrastructure & Business Manager
