Dear Mr Bauress

Review of authorisation A58 granted to the Royal Australian Institute of Architects

I refer to the Australian Competition and Consumer Commission's (the ACCC) letter, dated 8 September 2004, which sought the Australian Institute of Building Surveyors' view in relation to the above mentioned review. In its letter, the ACCC requested that any submissions be lodged by 8 October 2004. The ACCC would like to advise that it has since extended its deadline for submissions to Monday 6 December 2004.

If you have any questions in regard to this matter, please contact Liam Stewart on (02) 6243 1275.

Yours sincerely

Scott Gregson
