Dear Mr Poddar

**Re: Dalrymple Bay Coal Terminal Pty Limited applications for authorisation
(A30239 – A30241) - interested party consultation**

I refer to the above mentioned applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 5 April 2005.

Please find enclosed, for your information, a copy of the letter that the ACCC sent today to potentially interested parties as part of its public consultation process. Interested parties have been invited to provide submissions in relation to the request for interim authorisation and the substantive application by **25 April 2005** and **13 May 2005** respectively.

All publicly available submissions will be posted on the ACCC internet site at www.accc.gov.au (by following the Public Registers and Authorisations links). The ACCC will also arrange for you to receive a copy of all publicly available submissions received at the end of the consultation periods.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Jaime Norton on (03) 9290 1885.

Yours sincerely
