Dear Mr Voss

Third line forcing notification No. N60045 lodged by Mitsubishi Motors Australia Limited (MMAL)

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 3 June 2005. The notification has been placed on the ACCC's public register.

You describe the conduct as follows:

- MMAL supplying, or offering to supply, Roadside Assistance Program services and Reward Program services to customers on the condition that the customers acquire vehicle servicing from dealers appointed and authorised by MMAL; or
- MMAL refusing to supply Roadside Assistance Program services and Reward Program services to customers for the reason that the customers have not acquired, or have not agreed to acquire, vehicle servicing from dealers appointed and authorised by MMAL.

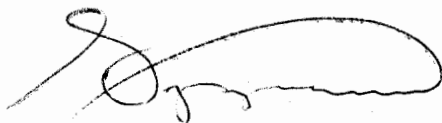

Legal immunity conferred by the notification came into force on 17 June 2005. On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Sharon Clancy on 02 6243 1217.

Yours sincerely
