Dear Mr David Hatfield

Re: Juice Station Franchising notifications N31192 and N31144 - Draft Notice

In accordance with section 93A(2), I would like to formally request that a conference be held in relation to the Juice Station Franchising notifications N31192 and N31144 - Draft Notice.

I as a Franchisee of Juice Station (for over two years) and numerous other franchisees believe it is very important that our concerns are heard. We believe that the best way of facilitating this is via a conference setting and would as such like to formally request on behalf of myself and other Juice Station Franchisees, that the ACCC organise a conference to be held in Sydney.

Regards

Ahmed Kilani  
Juice Station Burwood
