Dear Mr Green

**Re: Proposed amendments to Authorisation A90886**

I refer to your letter dated 23 September 2005 and your telephone conversation with Kerry Leigh Taylor on 10 October 2005, advising of proposed amendments to the above authorisation.

The proposed amendments relate to the period of time allowed in the original authorisation for the completion of the collective tender process. Specifically, the application seeks to amend this time period so that the revised date by which this process is to be completed is 6 July 2006.

Submissions have now been invited from interested parties in relation to your request for minor variation. Enclosed for your records is a copy of the letter inviting submissions and a list of recipients.

To allow the minor variation, the ACCC must be satisfied that the variation is in fact minor and that it would not result, or be likely not to result, in a reduction in the extent to which the benefit to the public of the authorisation outweighs any detriment to the public flowing from the authorisation. The ACCC must then issue a determination either varying the original authorisation or dismissing the application.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Kerry Leigh Taylor on (02) 6243 1175.

Yours sincerely

Scott Gregson
