Dear Ms Dyson

**Re: Third line forcing notification N31465
lodged by Solahart Industries Pty Limited**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 28 September 2005. The notification has been placed on the ACCC's public register.

Solahart Industries Pty Limited (Solahart) has described the conduct as follows:

A marketing promotion in which Solahart will offer discounted solar water heaters and installation to Integral Energy residential customers residing in Solahart servicing areas.

Legal immunity conferred by the notification came into force on 12 October 2005. On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

As discussed, due to an overpayment of the lodgement fee, please find enclosed a cheque for \$100.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact David Hatfield on 02 6243 1266.

Yours sincerely
