Dear Ms Webb

**Re: Third line forcing notification N31467
lodged by Integral Energy Australia**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 4 October 2005. The notification has been placed on the ACCC's public register.

Integral Energy Australia (Integral Energy) has described the conduct as follows:

A marketing promotion in which Solahart Industries Pty Limited (Solahart) will offer discounted solar water heaters and installation to Integral Energy residential customers residing in Solahart servicing areas.

Legal immunity conferred by the notification came into force on 18 October 2005. On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact David Hatfield on 02 6243 1266.

Yours sincerely
