Dear Mr Lloyd

Third line forcing notification No. N31460 lodged by Unwired Group Limited

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 15 September 2005. The notification has been placed on the ACCC's public register.

Unwired Group Limited (Unwired) has described the conduct as follows:

The supply of services by Unwired to Navini Networks Inc (Navini) by way of an agreement granting, providing or conferring rights on Navini on condition that Navini acquires certain products or services (being certain Wimax Forum certified Intel silicon products, hardware or software) from Intel Corporation for incorporation into wireless telecommunications equipment to be supplied by Navini to Unwired.

Legal immunity conferred by the notification came into effect on 29 September 2005. On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Kristy Randall on (02) 6243 1088.

Yours sincerely
