Dear Mr. Gregson

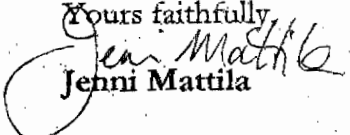

Re: Request by Dairy WA for Conference under section 90A of the TPA

We refer to the telephone conversation between Ms Mattila of our office and Ms Philp of your office on Monday 31 October 2005 concerning Dairy WA's application for approval of collective bargaining.

We confirm we now have instructions from our clients that they request a conference in relation to their application under section 90A of the Trade Practices Act 1974.

Ms Philp mentioned that a tentative date of 1 December 2005 may be available for the conference and my clients have confirmed that date is suitable for them. Please note our clients AGM is being held on 29 November, 2005 and they would be unavailable on that date. However if no other date were available we would ask our to consider delaying the AGM to accommodate the ACCC and advising their shareholders of the need for the change in the date.

Yours faithfully

Jenni Mattila
