Dear Sir

I refer to your letter dated 26 October 2005 advising of your intention to grant a five (5) year re-authorisation of the application by the NSW Homeworkers Code of Practice Committee Inc. in relation to the Homeworkers Code of Practice.

The Queensland Government strongly supported the application and is pleased with the decision to grant the application although only for a five (5) year period.

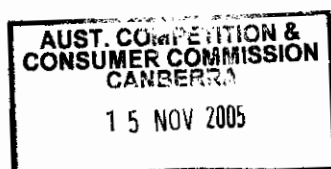

The Queensland Government has nothing further to add to its previous submission and does not require a conference to be held.

Thank you for providing the opportunity to comment on this matter.

Yours sincerely
