Dear Mr Gregson

**Application for Revocation and Substitution (A90986 and A90989) lodged by the
Investment and Financial Services Association**

I refer to your letter dated 11 October 2005 regarding an application received by the ACCC from IFSA for revocation and substitution of Authorisations A90857 and A90869.

The Department of Human Services supports IFSA's application for re-authorisation of clauses 10.1 and 10.3 of its "*Standard No 11 Genetic Testing Policy*" and is satisfied that the public benefit from this arrangement outweighs any public detriment.

Should you require any further information, please contact Dr Rosemary Lester, Manager, Prevention and Perinatal Health, on (03) 9637 4140.

Yours sincerely

DR JOHN CARNIE
Director
Disease Control and Research
