Dear Mr Gregson

Application for Authorisation A90992 lodged by the Australian Nurserymen's Fruit Improvement Company Ltd

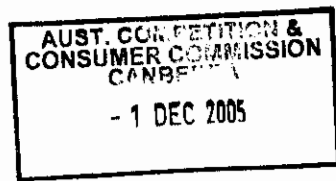

Further to our telephone conversation on 28 November 2005 we confirm the following:

1. Your 18 November 2005 letter was not received by us until 23 November 2005. Although we will endeavour to respond by 2 December 2005, it may not be until next week.
2. Most of the response will be confidential and some of the confidential responses may need to be supplemented by a direct meeting or teleconference between Dr Gavin Porter, General Manager of ANFIC and you.
3. This is an Application in respect to which it would be difficult for you to obtain comments from interested parties without detail of the proposal. Our client is concerned at the number of parties to whom the letter inviting submissions has been sent and respectfully requests that specific detail regarding the proposal be deleted from the public register: ANFIC would prefer to limit the number of organisations that have details of the proposal.

Yours faithfully
