Dear Mr Ariff

Withdrawal of Juice Station Franchising notifications N31192 and N31144

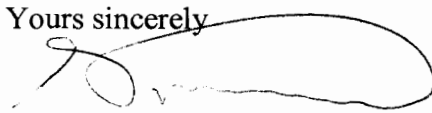

I note your letter dated 28 November 2005, which was received by the Australian Competition and Consumer Commission (ACCC) on 1 December 2005, withdrawing notifications N31192 and N31144 on behalf of Juice Station Franchising.

As a result of the withdrawal of the notifications, immunity for the third line forcing conduct described in the above notifications ceased on 1 December 2005.

As you are aware, the ACCC had issued a Draft Notice proposing to revoke these notifications and was awaiting a response from Juice Station to a request for further information as set out in a letter dated 19 October 2005.

Given the notifications have now been withdrawn, the ACCC's review of them will cease.

Yours sincerely

Scott Gregson
