Dear Mr Snow

**Re: Third line forcing notification No. N31382
lodged by AGL Electricity Pty Ltd**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 27 April 2005. The notification has been placed on the ACCC's public register.

AGL Electricity and AGL Victoria Pty Ltd (together 'AGL') have described the conduct as follows:

AGL proposes to discount energy prices for CityLink PLUS customers who enter a contract for the supply of electricity or electricity and gas with AGL.

Legal immunity conferred by the notification commenced on 12 May 2005. On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by this notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Anthony Parker on 02 6243 1338.

Yours sincerely
