- 2 Details and conditions in relation to the pre-apprenticeship incentive have been widely circulated to schools TAFE colleges and the community. To our knowledge, there has been no pre-apprenticeship training delivered by private providers until the granting of scope of registration late in 2004 to AMBA. Due to this change we are assessing AMBA and the results of their training.
- 3 The incentive scheme to improve apprenticeship completions has recently been approved and advised to the commercial market.
- 4 Refer to point 3 above.
- 5 Pre-apprenticeship commencements include TAFE colleges and a private provider being AMBA. Apprentices in training represent only those enrolled at TAFE colleges as reported at June 2005.
- 6 Refer to point 3 above.

The above information can be placed on the public register.
Please advise if further information is required.

Yours sincerely
