Subject: Application for Authorisation A30243 lodged by Association of Australian Bookmaking Companies Inc

Dear Ms Philp

I refer to your letter of 31 March 2006 concerning the application by the Association of Australian Bookmaking Companies Inc for authorisation to conduct collective negotiations with State racing and sports betting control bodies regarding the use of race field information and sports betting information. I understand that the AABC has also submitted an amended application for interim authorisation to begin collective negotiations.

Please be advised that the Western Australian Department of Racing, Gaming and Liquor does not propose to make a submission in respect of the application for authorisation or in respect of the interim authorisation.

Please contact me should you require anything further.
