Dear Sir

RE: Australian Baseball Federation Notification N 90853

We refer to your letter of June 16, 2006 advising of the ACCC decision to revoke 3rd line enforcing for the Australian Baseball Federation licensing program.

In response to this draft notification the Australian Baseball Federation advises the ACCC of the desire to exercise the right for a pre-decision conference with the Commission.

As the majority of ABF Directors reside in Sydney this is the preferred location for the conference. Please advise as soon as possible the date and location of the meeting.

Sincerely

Don Knapp
